# EMPOWERING FUTURES:

Pathways to  
Career Success through  
STEM Education for Rural Students

**(Classes 9-12)**

**Welcome to Happy Youth Pathways (HYPER)** - A coaching center dedicated to empowering rural youth through comprehensive Science, Technology, English, Math (STEM).

We are a small team of professionals providing personalized coaching and guidance to students in classes 9th to 12th, enhancing their aptitude and problem-solving skills for prestigious entrance exams like JEE, NEET, NDA, and others.

## Our Values

At HYPER, we are driven by a strong belief in access to quality education. Empowering rural youth through knowledge, and personalized support to thrive. Our approach is rooted in community engagement and tailored to meet the unique needs of rural students.

## Our Vision

We aspire to become a leading force of STEM education for rural youth. Our vision is to provide early career options, guidance, mentorship, and holistic support – enabling every student to recognize their strengths, unlock their potential, and achieve academic excellence from a young age.

“We envision a future where every young rural student thrives in a global, holistically community support-driven, and not-for-profit ecosystem, unlocking limitless possibilities.”

## Our Mission

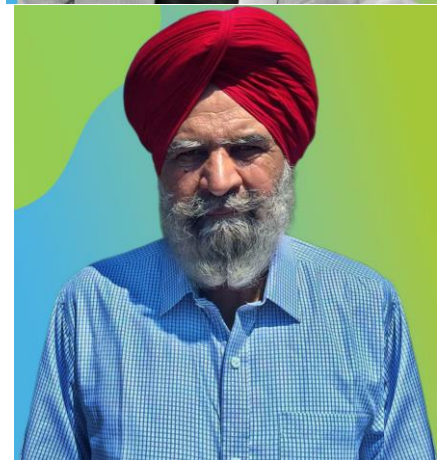

Our mission is to offer high-quality, customized STEM coaching and counseling to students in grades 9 to 12, helping them succeed in competitive exams and achieve their academic goals.

## Our Founders

**Late Harvinder (Harvey) Singh Bath:** Harvey was a champion of children’s wellbeing and a visionary global business leader who valued education and personal growth. Having earned his master’s in information technology from Australia and MBA from the USA, Harvey’s legacy lives on through Happy Youth Pathways, where we nurture young individuals in body, mind, and soul. As he envisioned, we create a “stress-free” environment that fosters children happiness, resilience, and potential, dedicated to providing social support and guidance to unlock strengths and build confident futures. His global network of friends and family carries forward his impactful vision.

**Master Pritam Singh Batth,** Pritam Singh is our founding inspiration who is a champion of children and a dedicated educator who spent nearly 50 years serving at Government Senior Secondary School, Kacha Pacca, Tarn Taran. With a bachelor’s degree in science and B.Ed., Pritam’s passion for education and community development drove his work as a science teacher, active social worker, and respected community leader. Notably, he played a key role in the District Advisory Committee on Education, advising the Deputy Commissioner on public school matters. His tireless commitment to education and community development inspires our mission.
